# AUSTRALIANS AT MIPTV 2009

**AUSTRALIANS AT MIPTV 2009** is designed to give an overview of Australian companies represented at MIPTV in 2009. The guide includes information about projects, company contact details and expressions of interest in co-productions.

Australia has a strong television production industry, especially in the area of TV drama, children's programs and documentaries, producing an average of 690 hours of TV drama and 196 documentaries annually.\*

Screen Australia is proud to be associated with the development and production of Australian film, television and interactive digital media projects and to assist their promotion internationally. This guide is one of a range of Screen Australia publications designed to inform buyers, festival directors and international producers about the Australian industry, its programs and their creators.

Hot Ham Productions is not your typical soft production company. Hot Ham's crew goes where mountain goats fear to tread, taking all the equipment necessary for broadcast television – including a portable satellite uplink that enables 'live' broadcasts to the world. If you want a tough production company that embraces adversity, you have come to the right place.

Screen Australia is the Australian Government's screen support agency, replacing the Australian Film Commission, Film Finance Corporation and Film Australia.

Our goal is to develop, produce and promote diverse Australian programs, and to support the development of the Australian screen production industry, so that Australian screen content is accessible nationally and internationally.

We also administer the Australian Government's Producer Offset incentive and Australia's Official Co-production Program.

The Screen Australia stand at MIPTV is managed by the agency's Marketing Branch. It provides a base for Australians attending the market, offering a message service, meeting spaces and other support services.
